Re: Letter of Interest – MRT At Large Representative

Dear Barb Biggs:

I am writing to express my interest in filling one of the At Large Representative positions on the Metro Roundtable (MRT). Dominion is a wholesale water and wastewater provider in Northwest Douglas County actively securing renewable water supplies for its Retail Customers. Dominion is at the forefront of water sustainability and is working collaboratively with stakeholders in Douglas County to provide regional water and wastewater solutions.

I am committed to continuing to advance water solutions not only for Douglas County but the Metro Region working together with the partners and members of the MRT. My experience, as outlined in my resume, with the proven thought leadership of the MRT Representatives will help advance MRT vision and goals. I look forward to the opportunity to serve in this capacity.

Please feel free to reach out with any questions or for additional information.

Sincerely,
